

MAKEUP + HAIR

VIP FEBRUARY PROMOTION

Book in for a Make Up workshop where we can go through your make up bags and teach you how to use all of the things we collect from our trip to the make up counter. We all buy so many products and take them home and then say I don't know how to use them! Our workshops will help with that and also go through steps on how to use them and how to do your make up with lots of tips and tricks. This month we will take \$20 off if you mention this Promo
